

From the Brazos MDWCA

Accolades & Concerns

Good morning BMDWC Association members and friends,

As promised a monthly accolades & concerns note through we're almost out of month.

Accolades

Thank you to everyone who has sent in their 2026-2027 Annual Membership fees. We have only two (2) outstanding 2025-2026 membership fees and eight (8) 2026-2027 membership fees left to be paid. Way too go!!

Concerns

As this letter is written, our water level is the lowest it has been in years. Our current water storage tank level is approximately 24,000 gallons of our 91,000 gallon capacity. PLEASE, if you plan to journey to the Brazos anytime this summer remember:

1. Bring water for drinking and cooking and washing dishes.
2. Use paper towels, plates & plastic utensils.
3. Shower before you come and after returning home.
4. Brush your teeth as if you were camping.
5. No laundry.
6. **CONSERVE, CONSERVE, CONSERVE**

29 June 2026

Feel free to contact any water board member with additional concerns or questions.
