

Brazos Mutual Domestic Water Consumers Association

Community Liaison Invoice Summary

Invoice Date: April 30, 2026

Billing Period: April 1 – April 30, 2026

Services Provided:

- 18 Water Tank Level Inspections
- 8 Random Meter Checks
- System Monitoring & Reporting
- Coordination of system adjustments

Operational Update:

Daniel Gonzalez adjusted and fine-tuned the elevation valve. The lower tank has consistently maintained between 14 and 15 feet. Water is now being diverted to the upper tank, and the valve appears to be operating properly.
